Pauline ROOSE

Research Manager | Consumer & Sensory Insights | Food Engineer

French Food Engineer with 5 years of experience in Marketing and Consumer Insights. Specialist in transforming data from panels (Kantar, IRI, Mintel) and sensory research into actionable business strategies. Analytical profile (VBA, SQL, R) with an international background (Native FR, C2 ES, C1 EN), focused on delivering storytelling-driven recommendations to unlock growth opportunities.

PROFESSIONAL EXPERIENCE

MARKETING & SALES SUPPORT | FRENCH COSMETIC MARKET

Comercial Química Massó, Barcelona, CT, Spain 06-2024

- Market Analysis: Monitor trends and competitive landscape using **Mintel** for the cosmetic sector.
- Client Management: Act as the **primary point of contact** for French clients, managing high-volume orders and CRM operations.
IMPACT: Managed over 500 French accounts, contributing to a **+2% business growth** in 2024.

PRODUCT MANAGER | INSIGHTS & STRATEGY (Fixed-term contract)

Loste (1700 employees), France 01-2023 - 08-2023

- Data-Driven Insights: Delivered multi-channel sales reports and analyzed market shares using **Kantar and Circana/IRI** to drive R&D and innovation decisions.
- Operational Excellence: Coordinated product launches and POS activations with production sites.
IMPACT: Achieved monthly volume growth of **10% to 20%** via data-backed recommendations.

JUNIOR PRODUCT MANAGER | SENSORY & INNOVATION (Fixed-term contract)

Olga (1330 employees), France 02-2022 - 01-2023

- Sensory Research (Project Pâquerette): Led a strategic deep-dive; **designed and executed blind sensory tests and consumer surveys**, leading to a major portfolio pivot.
- Launch Management: Managed the "SOON" brand launch (8 SKUs) from concept to retail.
IMPACT: Successful launch with an **87% market retention rate** after one year.

PRODUCT MANAGER | FOODSERVICE (Fixed-term contract)

Sysco (70 000 employees), France 10-2020 - 11-2021

- Category Optimization: Monitored sales (SAP) and **GIRAFood** trends to implement rotation strategies.
- Innovation: Managed seasonal launches, coordinating with suppliers and internal production.
IMPACT: **80% of developed products** remained in the catalog 2 years after launch.

EDUCATION

ERASMUS + PROGRAM

Polytechnic University, Valencian Community, Spain 02-2019 - 07-2019
